- Lafakis, Gregory J., CAE, Mark V. Chester, and Joan S. Cherry. Legal limitations on the marketing of assessment-related products. March: 3-17.
- Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.
- McFarland, William. Pueblo County, Colorado's, computerized information system. March: 65-72.
- Nielsen, Reinald S. Examination of property value equalization in the state of Maine. September: 213-47.
- Nielsen, Reinald S. Response to Denne. September: 273-74.
- Pearl, Fran, see Eichenbaum.
- Ryan, John F. Comments on Eichenbaum and Pearl, Assessment information: Raw resource in the municipal jungle. March: 127-28.
- Silva, Donald H. Variability in relative municipal expenditures and changing property values. June: 129-36.
- Smith, Jim, and Pamela M. Dubov. Generating revenues from property appraisal information systems. March: 37-51.
- Smith, Leslie N., CAE, and Gary Udinsky. Comments on McFarland, Pueblo County, Colorado's, computerized information system. March: 73-75.
- Udinsky, Gary, see Smith, L.
- Walker, Thomas E. Comments on Nielsen, Examination of property value equalization in the state of Maine. September: 249-56.

Topic Index

Computer-Assisted Assessment

- Barber, Peter J. Selling assessment data for revenue generation. March: 57-63.
- Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.
- Eichenbaum, Jack, and Fran Pearl. Assessment information: Raw resource in the municipal jungle. March: 89-126.
- Hensley, Tim. Coupling GIS with CAMA data in Johnson County, Kansas. March: 19-35.

Smith, Jim, and Pamela M. Dubov. Generating revenues from property appraisal information systems. March: 37-51.

Cost Approach

Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.

Connellan, Owen. Discounted asset rents—A new approach to the cost approach to valuation. June: 137-60.

Equalization

Denne, Robert C. The mean, weighted mean, median, and other robust estimators of the assessment ratio: An independent exploration of issues raised by Nielsen. September: 261-72.

Dornfest, Alan S. Assessment ratio study issues: 1992 survey results. September: 275-306.

Gloudemans, Robert J. Comment on Nielsen, Examination of property value equalization in the state of Maine. September: 257-59.

Nielsen, Reinald S. Examination of property value equalization in the state of Maine. September: 213-47.

Walker, Thomas E. Comments on Nielsen, Examination of property value equalization in the state of Maine. September: 249-56.

Expert Systems

Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.

Forestland

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

Freedom of Information Acts

Lafakis, Gregory J., CAE, Mark V. Chester, and Joan S. Cherry. Legal limitations on the marketing of assessment-related products. March: 3-17.

Geographic Information Systems

Castle, Gilbert H. III. A status report: Front-line uses of GIS in public and private sector real estate today. March: 77-85. [See also errata, September: 307-8.]

Eichenbaum, Jack, and Fran Pearl. Assessment information: Raw resource in the municipal jungle. March: 89-126.

Hensley, Tim. Coupling GIS with CAMA data in Johnson County, Kansas. March: 19-35.

Lafakis, Gregory J., CAE, Mark V. Chester, and Joan S. Cherry. Legal limitations on the marketing of assessment-related products. March: 3-17.

Smith, Jim, and Pamela M. Dubov. Generating revenues from property appraisal information systems. March: 37-51.

Government Finance

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Castle, Gilbert H. III. A status report: Front-line uses of GIS in public and private sector real estate today. March: 77-85. [See also errata, September: 307-8.]

Eichenbaum, Jack, and Fran Pearl. Assessment information: Raw resource in the municipal jungle. March: 89-126.

Lafakis, Gregory J., CAE, Mark V. Chester, and Joan S. Cherry. Legal limitations on the marketing of assessment-related products. March: 3-17.

Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

McFarland, William. Pueblo County, Colorado's, computerized information system. March: 65-72.

Silva, Donald H. Variability in relative municipal expenditures and changing property values. June: 129-36.

Smith, Jim, and Pamela M. Dubov. Generating revenues from property appraisal information systems. March: 37-51.

Housing Markets

Beck, R. A. D., and D. E. Bruce. Estimating market values and area price indexes. June: 195-209.

Idaho

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Land Policy

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

Location Analysis

Beck, R. A. D., and D. E. Bruce. Estimating market values and area price indexes. June: 195-209.

Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.

Maine

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Marketing Assessment Information

Barber, Peter J. Selling assessment data for revenue generation. March: 57-63.

Castle, Gilbert H. III. A status report: Front-line uses of GIS in public and private sector real estate today. March: 77-85. [See also errata, September: 307-8.]

Eichenbaum, Jack, and Fran Pearl. Assessment information: Raw resource in the municipal jungle. March: 89-126.

Lafakis, Gregory J., CAE, Mark V. Chester, and Joan S. Cherry. Legal limitations on the marketing of assessment-related products. March: 3-17.

McFarland, William. Pueblo County, Colorado's, computerized information system. March: 65-72.

Smith, Jim, and Pamela M. Dubov. Generating revenues from property appraisal information systems. March: 37-51.

Model Calibration

Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.

New Hampshire

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

New York State

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Preferential Assessment

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

Price Indexes

Beck, R. A. D., and D. E. Bruce. Estimating market values and area price indexes. June: 195-209.

Ratio Studies

- Denne, Robert C. The mean, weighted mean, median, and other robust estimators of the assessment ratio: An independent exploration of issues raised by Nielsen. September: 261-72.
- Dornfest, Alan S. Assessment ratio study issues: 1992 survey results. September: 275-306.
- Gloudemans, Robert J. Comment on Nielsen, Examination of property value equalization in the state of Maine. September: 257-59.
- Nielsen, Reinald S. Examination of property value equalization in the state of Maine. September: 213-47.
- Walker, Thomas E. Comments on Nielsen, Examination of property value equalization in the state of Maine. September: 249-56.

Regression Analysis

- Beck, R. A. D., and D. E. Bruce. Estimating market values and area price indexes. June: 195-209.
- Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.
- Silva, Donald H. Variability in relative municipal expenditures and changing property values. June: 129-36.

Residential Models

- Beck, R. A. D., and D. E. Bruce. Estimating market values and area price indexes. June: 195-209.
- Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.

Tax Burden, Shifting of

- Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.
- Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.
- Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.
- Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

Tax Policy

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

Time Adjustment

Bernard, Jeffery C., and David L. Jensen. Automatic cost calibration case studies. June: 161-93.

Use-Value Assessment

Brevig, Rod E. Alternate approaches to forestland valuation: The Idaho forest tax law. December: 315-39.

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.

Malme, Jane H. Preferential property tax treatment of forestland in the United States. December: 309-14.

Vermont

Brighton, Deborah. Forestland, current use, and local property taxes. December: 373-90.

Chamberlin, Robert. The costs and benefits of differential assessment programs in the Northern Forest region. December: 341-71.
